Dear Reverend Reynolds,

Thank you and your members so much for your generous gift of one thousand five hundred dollars (\$1500.00) and your continued support of Senior Resources of Guilford's Meals on Wheels program. As you know, Meals on Wheels is a home-delivered meal program which provides a nutritious noon time meal to homebound seniors in Guilford County as well as a friendly visit and wellness check to the recipient from one of our dedicated volunteers insuring their well-being. For many of our program participants Meals on Wheels is their lifeline in maintaining their independence and we are most grateful for your donation. Your gift will help enable us provide meals for 6 people for nearly 3 months.

Food insecurity across our nation is a significant problem. We can see this in our ever-growing requests for meals from homebound seniors who call Guilford County home. We are providing approximately 490 of our seniors with a home delivered meal which represents a significant increase in those served over the past couple of years. Your donation specifically helps to overcome meal cost increases from \$1910 to \$2034 per year per person resulting from inflation, supply chain issues and rising food and transportation costs. Your support is critical, now more than ever, to help ensure that our agency may continue to provide nutritional support to seniors age 60 or older who are homebound, unable to prepare meals on their own, have no one to assist them, and live in Guilford County.

As may be required for tax purposes, Senior Resources of Guilford is a 501(c)(3) non-profit organization and is eligible to receive tax deductible donations. The agency acknowledges your gift was a donation and was not in return for a service or item of value.

Your thoughtful donations allow us to make a difference in the lives of seniors by addressing the issue of eliminating senior hunger in our community. Thank you again for your support of Senior Resources of Guilford and the seniors who call Guilford County home.

Gratefully,

*Ellen D. Whitlock*
